A.

Q.2 Do you have any comments you wish to add?

A. Dear Craig Crawford MP,
It is with much shame that I have to send this message to you when it should be the most obvious right thing to do in this day and age with all the worlds eyes watching on as well and my shame is to see that big bullies like Adani are destroying special Indigenous sites and the people that protect them are being ignored. Shame on all those who turn and look the other way.
Would you not prefer to be respected for doing the right thing? The oldest living culture in the world in Australia. How fortunate are we and they want to take care of the land for all peoples to enjoy. We are losing so much in every way as human beings. Plague of the earth that we are.
Lets turn it around and show humility and validation of others.
Thank you for your consideration,
Leslie Curl

Won't you sit and listen to them and at least
